RESPONSE TO NOTIFICATION OF NON-COMPLIANT APPEAL BRIEF

This is in response to the Notice of Non-Compliant Appeal Brief mailed September 12, 2007. The Notice indicates that the summary of claimed subject matter section does not map the independent claims on appeal to the specification or drawings. Submitted herewith is a revised Appeal Brief with a summary that includes references to the specification and drawings for each element recited in the claims on appeal. The references to the specification are to the paragraph numbers identified in the specification.

Respectfully Submitted,
Attorney for Applicant
